“ Nonnie,
You are my mothers aunt, but you are not a 'distant' relative. You are very much a part of my family. Uncle Don will live on in all of the stories and memories. John will never forget the conversation he had with him, when we visited the GF, but stayed with you. John loved talking about planes and I loved just listening to all the stories. He is with GOD, pain free and at his best. I know he will keep a good eye on his family. We love you very much,

“ I could never have asked for a better father-in-law than you Don. Thank you for all the love and support you gave Susan, myself and the kids. We all miss you. There is no doubt that you were a full fledged member of America's Greatest Generation and I always admired the pride you took in your work, life and family. As a grandfather to Jennifer, Kate and Patrick you have been the best. The influence you had in their lives has been profound and they will never forget you. There is a place in heaven for you and we will all see you again in God's good time.##imported-begin##Jim Moran##imported-end##

“ *What wonderful memories we have but none more than our first trip to N. Augusta to see the Master's in 1994. What a day that first day, being at Augusta and watching the Arkansas Razorbacks win the NCAA Championship in Basketball! You and Ann gave me the greatest gift of all, the friendship of your daughter Donna. God bless the Chumbley family.##imported-begin##Woody and Judy Griffin##imported-end##*
