“ Jackie,

I'm so sorry to learn of Don's death.

I was packing the car for a trip to Mobile when I received the news. Believe me, a big part of my heart wanted to stay here to support you and your family.

I've just returned from Mobile and wanted to get a note to you.

I'm sure the last year has been very difficult for both you and Don. I last visited ya'll in March 2005, just before I went to Rome. I never saw ya'll after that. But you both remained in my prayers.

May you find comfort in knowing that Don no longer suffers and you are both loved by many many people who would love to help you in any way possible. I'm one of many. Please don't hesitate to call on us.

May the Peace of The Lord be with you and yours,

Love,

“ Dear Jackie, I am so sorry to hear about Don. Don was a wonderful supervisor and a wonderful person. He was truly a gentleman. I remember how wonderful you and Don were to me when my mother passed away. I just wanted to let you know that you are in my prayers and that I know Don is in heaven. Also I wanted to let you know that Don always told us in the office that you were the perfect wife, that he had never seen you mad in all the years that you had been married. He truly idolized you. May God be with you.##imported-begin##Marsha Arrington##imported-end##
