“ Donna was a great cousin! We have found memories of times when we both had children getting together in Worchester, with the kids and reconnecting. It was a memorable time! She was always upbeat and very open and kind. So grateful for our time together. Much Love to all of you and prayers to Donna on the Spirit side. Love Kathy, Jessica, Brian and Big and little Benjamin.

“ She was a wonderful work friend who helped me find humor and myself during my darkest days. You know you have a ride or die friendship when she offers to help dispose of a body, even if it was merely a joke.

“ I met Donna when I was around 14 (25 years ago) or so. She was so vibrant and outgoing! I loved being around her. She would always make me laugh! We weren't always in contact but then there would be days where we would see or talk to each other out of the blue and it was if we saw each other every day. I loved her like family! She was very kind and loving. I'm so lucky to have known her and she will truly be missed!

“ I met Donna over 20 years ago when we both worked at Dial America. Since my husband at the time was from Massachusetts as well, we hit it off talking about different places around the state. She was one of many who offered me emotional support when my mother was diagnosed with cancer and then passed away. Rest easy my friend. You will surely be missed.
