“ *I want to thank everyone who has left such wonderful memories of my mother.. she truly was one of the most intelligent and well read women I have ever had the privileged of encountering, she had to be, after all, she survived raising me.. and as I read all your comments and think back throughout the years I see that she was busy raising every young impressionable mind she came across, wow! what a force to be reckoned with she was..*

I speak only for myself and my sister when I say the we are amidst great suffering following her departure, a void has been left in our lives, and I see, that each of you will also be feeling that empty space too, so I appreciate that level of solidarity..

“ Donna and I taught across the hall from one another and shared rides together for a number of years to Monroe Area High School. We had many laughs and a few tears along the way. She loved teaching British Literature and French, and I remember she usually had a student sitting in her room during lunch or after school because they just wanted to hang out with Mrs. Cabe. Jennifer and Joshua, my heartfelt condolences go out to you both; I know how much your mom loved you.

“ I looked so many time to find my old friend from Toccoa High School but did not know her married name or where she moved after Winterville. So sad to find her this way. My sympathies and love go out to the family. I know how much you will miss her. I would like to hear from one of you and I can be found on facebook.

Brenda, I remember the day Donna, you, I and Donna's brother stayed home from school because Donna was upset because Ringo Starr got married. She and you introduced me to The Beatles. I have very fond memories looking back at the wonderful friendship the two of you had. You even talked in French when you didn't want others to know what you were saying. Thanks Donna and Brenda for these memories!

“ *Mrs. Cabe was one of my favorite teachers at Oglethorpe County High School. She loved her subjects and her students...Two of the best qualities in a teacher! I still remember more French than I thought possible, thanks to her. Thoughts and prayers go out to her family.*

“ My deepest sympathy goes out to the family of such a wonderful lady. I was privileged to have Mrs. Cabe as a teacher at Oglethorpe County High School. She taught me for my English and French classes and had a huge impact on my life. She loved her students dearly and always made learning fun! She inspired me to become a teacher and I am about to complete my 24th year as an educator. I am saddened to hear of her passing and wish to express my deepest sympathy to her family. Mrs. Cabe was a blessing in my life!

“ You were one of my all-time favorite teachers. I have so many fond memories of being in your English and French classes at Oglethorpe County High School. You always made me smile, even on those rare occasions when you had to discipline me! Your lightning-quick wit, along with that great sense of humor, were unmatched. Your impact on my life has been undeniable. You will forever hold a special place in my heart. God bless you, Mrs. Cabe.
