“ Danny and I watched Donna's Celebration of Life on line. Such a beautiful tribute of who she was and her love of Jesus, family, and friends. Even heard a couple of stories we have not heard before! We are sure gonna miss her. Please know we are much in prayer for your family. Love you all, dearly.

“ It's was an honor knowing Donna and growing up around her wonderful family. The greatest gift of all was her Dad Preacher Tipton leading me to the Lord. Donna and her brother Tony led the examples then and still to the presence. Thank you Lord for Donna s talent , everyday smile ,and kindness to others. She is in your arms now surrounded with great family and friends . What a Homecoming ! We love and will miss you !

It was a great pleasure having known and worked with Donna. We worked together just before she retired in the Savannah River Laboratory at SRS. Having known Donna I wanted to share in her home going, I somehow I got the time mixed up. However, I pray a spiritual uplifting for her family. God bless!

“ Tony, I extend my most sincere thoughts and prayers to you and your family... this is tough, as I am at a loss for words...just do not know what to say in times like these. I will ALWAYS remember Donna, you, and Mr. and Mrs. Tipton while growing up together with my family, my relatives the Hollands, the Braziers, the Thompsons, the Beams and the Cowards on McMillan Drive in Beech Island...so many great memories of our neighborhood. In closing, Donna is in a MUCH better place now in God's holy kingdom of Heaven...no more pain and suffering for your beloved sister. Hang in there, buddy!
