What a WONDERFUL neighbor you were. I loved the stories you told about slipping off and attending another church where they did a thing called the shout! You are going to be missed. I learned a lot of life lessons this week. One was not to put off something you want to do like visit a family who was sitting by an ill loved one's bed.

*I am sorry I will not be able to attend the visitation and funeral service for cousin Doris, due to our church circumstances. My husband and I now serve 2 churches on Sunday mornings so we have to go to bed early on Saturday night and there is an extra activity at one of the churches Sunday afternoon. Our Love and Prayers are with all of you!
