“ *I remember so well when Doris and Mrs. Hoffman came to see us here in Georiga. We had a good laugh when she was talking about how the speed limits were always changing. She was used to Chicago driving.and it blew her mind. We had a great time when she was here.*

“ *I knew of Lil Aunt Doris and talked to her before we met. When we did meet for the first time at Baker beach in SF, we ran towards each other with open arms. She gave me the warmest long hug ever. I knew right away I loved this woman. Such a beautiful soul and kind person. And boy could she make you laugh. Always someone you could turn to for advice and comfort. I am so sad that she passed, but I know she is no longer in pain. She is missed by many. We shall meet again one day. xoxoxox*
