“ Bubba and family I am so sorry I missed this obituary. I love Doris and I would always get to see her with Neil at the NHC. It breaks my heart that I missed her funeral. She was always one of my favorite cousins and we used to visit them when they lived in the apartments down close the Riverview. Please accept my condolences and my apology for not attending and I wish I had known. Erma

Kay, Pam, Bubba

Just wanted to say how sorry I am for the loss of your mom. We worked many years together at Belk and I was blessed to have worked with her. She was a beautiful lady inside and out. I never saw her where she didn't look like she stepped out of a fashion magazine. I know you will all miss her and my thoughts and prayers are with your family.

May God bless
