“ I had the blessing to be a friend of the Spence family. I spent a lot of my teenage and young adult years in their home in North Augusta. Tommy and I were close friends, Mr. and Ms. Spence always treated me as one of their's.

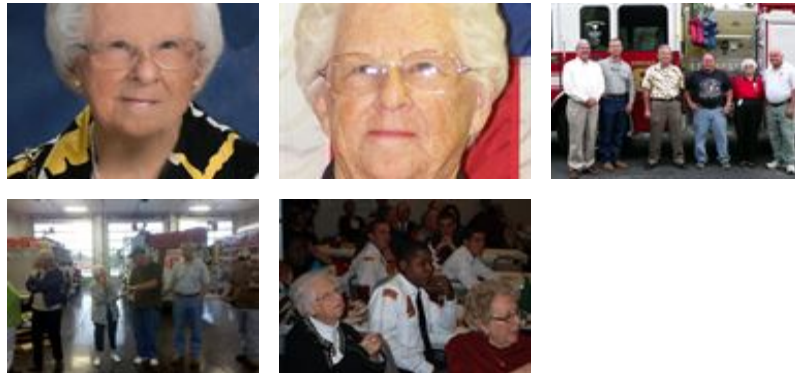

Ms. Spence was one of the most fun loving people I have ever known, yet all off us respected her greatly. You can tell when someone really cares, Ms. Spence really cared. She was always, in my mind, a great person and will always be. I am sure she will be greatly missed by her family and friends, but be assured I have no doubt where Ms. Spence is today. She was a saint on earth, now she is whole and in heaven with the father. Amen, and God bless this wonderful family. With love:

“ My condolences to Clay, Joy and all of Doris’ family. What a fun & delightful person she was to be around. I know she was a dear friend of Moms; Mom would often laugh about their bus trips and the fun that group always had when they got together! Thoughts & prayers are with the Spence family.

“ Mrs. Doris was so sweet and always had a smile on her face at church. I attended church with her at Matlock Baptist and years ago at Heights Baptist. The cutest memory was when she came dashing into church making an announcement with her hat and outfit. She was a fun little lady. Praying for you all!

“ Clay & Doris were always good about "popping in" when they were in our neck of the woods in West Virginia. Usually, they were on their way either to or from a mission trip, working on homes, etc. and we always enjoyed their visits so much! Doris was such a sweet and fine lady. I know she will be greatly missed! Our love to Clay and family.
