“ Steve, I am so sorry for the loss of your mom. She and your dad were so funny we had breakfast together on Saturday mornings at sunrise. She would tell us where they had been on the trip and they were just so great together. She was one of the nicest ladies that I have known. I would meet her sometimes in the Dollar tree and we stand and talk for an hour sometime but she will be missed I know by all and I'm praying that the family will find the peace and I know they have the strength and I know that God is giving them comfort.
