“ *Barry Family:*

My thoughts and prayers are with you during this time for the loss of your wife, mother, and grand-mother. I am currently out of the country and unable to come by and express my condolences in person. We grew up next door to each other and your mother was such a good neighbor, especially to my mother after my father passed away. She came by to check on my mother many times when she knew that my mother had surgery or other problems. She will be greatly missed. I pray that God will give you comfort during this time.

Sincerely,

Paul Sweeney
