“ *My Aunt Dorothy was so special to me. So many childhood memories were made at the Velky home. I cherish every one. I will forever make her recipes that I am blessed to have and think of her always. She made my mom this beautiful crochet blanket which I still have. My mom had it with her until the end. Thinking of you all today Tom, John and Paul and your families , love you all so much. I wish I could have been with you all today. Sending you lots of love and prayers.*

“ Tom, John and Paul: i am truly sorry about the loss of your mother. I met her when I volunteered at the Gym. She and your father were there so bright and early to walk. She had such a sweet demeanor and so nice to talk to when I ran into her. It's always hard losing those we love but when we know they are in a wonderful place. We feel some peace. Prayers for tge family.

Our daughter, Trudi, and I have fond memories of Mrs. Very picking Trudi up curb side in the blue station wagon (blue school bus) as the children call it to take them to Humphrey Dumpty preschool. Mrs. Velkey will always hold a special place in our heart 49 years later. We are better for having known her ❤️
