“ I just wanted the family to know what an inspiration Jimmie was to me and all who knew her. I was her neighbor for years and worked with Vickie when they had her on the special program. Spending time with them was like someone putting a ray of sunshine in my soul.

I came back to the area last year for a visit and spent several hours with Jimmie and Vickie. What a pleasure! We laughed and cried together and I will always cherish that visit. I loved her so much.

May God bless all of you and help you through this great loss. My prayers are with you.##imported-begin##Mary (Wells) Peters##imported-end##

“ I just wanted to say to all of her family and friends, what a true southern ladie, loving mother, wife and a jewel to the whole community. Thank you for the calls and the talks we had over the years, she was my second mother across the street for over 25 years. WITH LOVE ALWAYS
