“ Our love and prayers go forth to Karen and his children and extended family. We considered Dr. Charley Williams a dear long time friend and colleague. We shared fellowship at our home over big Mexican, Cajun, BBQ, Low Country Boil, and other feasts over many years, and we prayed with him numerous times over those years. As a family, we will miss him greatly and will think of him so fondly.

We were blessed to visit with he and Karen (and their many wonderful pets) in February of this year, and spend time in fellowship and prayer. We treasure that time with Dr. Charley.

May God give his family and all his friends peace in Christ,

Dr. Carl, Vicky, and Christian Langlois

We fondly remember his quick wit and robust laughter, especially "jawing" with Uncle Pooch! We know that in time, the many wonderful memories of Charley and his love will heal the emptiness you feel now.

“ I am so sorry to hear about Charlie.He was a great friend.I remember when we played and won the state AA championship in 1959.against Lancaster.19 to 0.
Charlie threw me a 35 yard pass that set up the first touchdown.It was called the Charlie Williams reverse pass.
That was my only claim to fame..Every time I saw Charlie after that he reminded me of that pass..
He had many great games after that.He was a much better football player than I could ever hope to be..He went on to play for the play for USC.
Charlie was a great Christian,athlete and friend.I will miss him very much,but I will never forget him James Gingrey.

“ I am deeply saddened by the loss of this dear sweet man. Charley always had sweet and encouraging words for me every time I saw him. Whether he sang me a song or quoted scripture or just talked about life, he always brought a smile to my face. I will miss him very much. “ I am so sorry to hear about Charlie, he was one of my best friends in high school. He spent the night at my house lots of times and always wore the cloths I had laid out for me to wear to school, he would just laugh and go on.

I came to see him the week he open his dental practice, he put me in the dental chair strapped me down and brought out a extra large needle to give me a shot, my wife was laughing but I was scared as I knew Charlie better than her.

I named my first son after Charlie"" Robert Anthony Prescott " Anthony being Charlie's middle name.

Most determined young man I have ever met. He overcame many low points in his life and always came out on top. Who ever heard of a high school boy building a house while he went to school and played every sport. One young man and his name was Charlie Williams.

I have not seen Charlie in years but He will always be in my heart. My prayers are with his family as we hang on to the hope GOD gives us in 1 Thessalonians 4:13-18.

“ I am sorry to hear of your loss. When we lose someone in death, the pain, the grief and the feeling of helplessness can seem unbearable. The Bible promises; "God is near to the brokenhearted." It also says: "throw your burden on God and he will sustain you." (Psalm 34;18 and 55;22) I hope this message will offer some comfort in your time of sadness.
