“ *Janice always had a kind word, a hug and a smile. We enjoyed getting to know her at First Baptist and had the privilege of being in her Sunday school Class. Often think of Janice and am thankful for having known her. Very much enjoyed viewing the photo album.*

“ *My thoughts and prayers are with Mrs. Bell family. She was an awesome teacher who taught many kids in school. I had her as a teacher and will forever remember the way she taught me Math in school. To this very day Math is one of my favorite subjects and hopefully she is no longer in any more pain.*
