“ Cynthia and Children, you will be in my thoughts and prayers and I know God will comfort you. We've known y'all a long time and Dr. Gordon had been my dentist for all the years he practiced in Belvedere until we moved away. Actually what came to my mind was when my Jennifer spent the weekend with y'all during the girls' kindergarten days and he taught Jennifer to swim. I was so surprised when I came to pick her up. Cynthia, I am so sorry. I didn't know Bob well, but through the years, he would come into The Star from time to time, and I always enjoyed chatting with him. He was an interesting and kind person who was passionate about the organizations and people he chose to be a part of his life. As I grew to know you, as well as Bob, I realized what a special pair you both are. My prayers are with you and your family.

*Mrs. Gordon and family,
We are so sorry to hear of Dr. Gordon,s passing. We are lifting your family up in prayer. Life is so uncertain but we have that blessed hope that you will be reunited again. Dr. Gordon was such a kind and compassionate man. He opened his office for me back in the 70's on Christmas Eve when I was in such pain with an abscessed tooth. Not many dentist would do that. He cared about his patients. My husband and I saw him In Dec. at Affordable and it was good to see him . He did great work. May God keep you and the family in His care*
