“ *She was a great step-mom, wife to my Dad, Grandma, sister, daughter and many things to many other people. She will be in my thoughts big time. I will have the grandkids in my heart most of all. I too lost my Grandfather when I was 13 it was very tough for me to get through. Life can be so hard sometimes. With time and love, things will get better. My words to the grandkids are simple. Enjoy life. It is shorter than you think. Lean on your parents, use their wisdom. Never ever be afraid to ask for help and support. Most of all, don't try to hold it in. Share your emotions with the ones who love you with hugs and long talks.*

*Love you,

“ I am so very sorry to hear about Dru..She was a wonderful example of a Christian woman. She loved her family and her work as a caregiver for those unable to care for themselves. Our community will miss her!
