TO

We have not heard or seen anything to my Mother's brother and my God Father since 2013. My mother spent 3 weeks with him after his stroke. We have missed him terribly in our lives. Just by coincidence we found this online. I'm so grateful that God has taken him home and he is not suffering any longer. I want Anna to know that she ruined our family ties with my Uncle DuWayne. May he rest in peace. He was a wonderful man.
