“ Dwayne was a skillful in many ways. He once painted my beach room in colors of blue in just a couple of hours. He did a good job that has lasted so many years. A kind-hearted self-made man who turned his life around completely and I respect him for that. He will be missed.

“ Well a memory of my silly brother was him making me record him when he was pretending to be Roland Martin the fisherman. He always said come on Marsha record me. And to top it he made me record him fishing in his fish tank catching his goldfish lol I love you baby brother always.
