“ Earl was such a great guy and we shared many happy times with Charline and Earl. What endeared him to me most of all, was the fact he was such a terrific Grandfather to the wonderful grandchildren we shared. They loved to see him come to spend time with them and they also loved to go to their house with the lake and four-wheeler and all the excitement Earl brought to any place. So sorry for your loss. “ I knew my cousin Earl as he came to visit us when I was a child. He was always very friendly and funny and he loved my mother. He and his sister Lasomia were very close to my mom because she loved their mother aunt Holly very much. I'm so sorry to hear that he has passed away and would have loved to have talked to him one more time. I send my love to his sister Lasonia and his family. Brenda Baker

“ Earl was a first cousin, although I never really knew him, as we lived many miles apart as children, I loved his Mother, my Aunt Hollie and now have a close relationship with his sister, Lasonia. She loved her brother and always called his "Brother", with much affection. I did get to meet and visit with him and his wife, two years ago when I visited with Lasonia in Georgia. They made me most welcome to their home and we had a wonderful visit, looking through old pictures and reminiscing . He was much loved by his family and friends, and will be missed.

“ I have to say my heart sank when I heard the news of his passing...I though what a great loss of one of Gods great warrior angles.....He was quite the character the life of the party the act before the great show leaving ever lasting prints on your heart.....I recall a ski trip we all took together (the Reeds and the Blevins)to Maggie valley just after our little Chloe was born that would have been WOW 10 years ago now where Earl and I engaged in a conversation regarding skiing....He ask why I refused to leave the bunny slopes??? My reply was because I choose to play it safe he smiled and said awww it's like riding a bike without the security of a sudden break but then again there's no need for breaks just don't fall he laughed I laughed and off he went with both Brian's to hit the black diamond one I asure you I wasn't quite ready for so I quickly declined.....He had a calmness about him that always brought a great peace to my soul with just his presence in the room....A kindness in his smile that would welcome anyone.....I can say he will truly be missed....

Thank you Tracy. Dad loved to ski, both on snow and water. I'm sure he was just happy to have family around to enjoy the skiing.

“ I for one know how much Earl was loved. When Charlene said I would love to have that man's baby. She did love him that much. I laughed and so did Earl. My memory is his smile. God Bless and be with the family. I still love you.
