“ Leo, We had some great times together. Remember the play you took me to see and we went out afterwards with friends? That was night that I will remember forever. I'm so sorry I had lost contact in the last few weeks. You were very special and I will always remember the time we spent together. Pepper and my mother will miss you as well. “ Puppy, So grateful to have known you for these last 35 years. I'm especially grateful for the time we shared on the road to happy destiny. The day that sticks in my head the most is when you came over last summer and I made you and Donnie hot dogs and french fries. We laughed so much and talked about our old haunts and people we knew many years ago. I also will remember when you told me "in the mean time, it's a mean time. That helped me so much to hang on. Your mean time is over now. So grateful to have known you, my friend.##imported-begin##Laney Cliett Walker##imported-end##
