“ *I LOVE Edith so much! She was such a wonderful, loving lady! She ALWAYS made me feel like I was one of her own, and I am only the daughter-in-law of one of her cousins. She loved everyone, and everyone loved her! She always set a Godly example by the way she lived her life. She didn't have to say anything; you knew, without a doubt, that she was a Christian. I know that she will be at the Pearly Gates waiting for us when we all get there, and what a GLORIOUS reunion that will be. She will be greatly missed by anyone who was fortunate enough to have had the wonderful blessing of meeting her. She will forever live on in the hearts of all of us who love her!*

“ Debra, I am so sorry for the kids of your mother. She was such a sweet lady's d a fighter. It was amazing how she came through the pancreatic cancer. Few people do, but she did and quite a few good years following that battle. I remember you telling me about how she prayed every night and she said each person's name that she prayed for. You wondered how she didn't fall asleep before finishing. Me too! She was a real prayer warrior. I know you will miss her so much. Love and prayers go you and your family! Beverly K. When
