“ *My thoughts and prayers are with the family.*

There are special Aunts and very special Aunts. Aunt Edna was very special. I cherish the childhood memories and the adult memories of Aunt Edna. When my Mom was still living, Aunt Edna welcomed me into her home when I made visits to South Carolina. We spent many nights conversing. I learned so much about her family and our larger family during our evening conversations. Aunt Edna was an avid reader. She always kept a book nearby. She was well informed regarding current events and she had well thought out opinions.

Aunt Edna's house was like a retreat center. Friends and family felt welcomed anytime they stopped by to visit. Sunday lunch/dinner meals were open invitations to all family and friends. Aunt Edna was such a gracious hostess.

Most of all, I felt her love for me and I felt love for her. Love never ends.

Edna Broome was a wonderful human being and she will be missed by so many.
