“ When my wife and I moved to North Augusta in 1981 Edna and Gene rented a condo at Chalet North to us. They were so gracious. Gene actually helped me unload some of our heavy things. They were very helpful by helping us learn about the area. I will always remember how they helped a young couple in a new area. God bless Gene and family at this time.

“ I will truly miss my dear friend Edna. God blessed her with many great talents. We enjoyed many activities together when our children were small. We grew even closer while singing in the church choir and participating in many church activities. She was indeed a gifted lady and shared her talents with so many. Pianos just came alive when she sat down to play. Her beautiful and talented voice will surely be a joyous addition to the angels in Heaven. My deepest sympathy to Gene and the entire family.
