“ Mom would be so pleased with all the kind words and condolences provided on this wonderful Memory Page. She passed peacefully as she would have wanted. Not in a hospital, or nursing facility, but at home with her family by her side. Stephen Posey and his awesome professional staff make the decision making and guidance for that decision so easy at a time that was most difficult. Whatever you need he anticipates and provides. Thank you Stephen. I know you were friends going back to Louisville. You done good!

“ *Becky, Bill, CB, Jennifer, girls, family and friend, for as long as I can remember I've called her Aunt Edna . Even though we were not related by blood we were related by Christ at FBC. Aunt Edna, Aunt Dot, Nina, Ruth, Ms Camille and my momma sang in the choir and were the best of friends. I'm so sorry for your loss but I can see them all now singing in the heavenly choir for Jesus waiting on the rest of us. My thoughts and prayers are with each one of you today and in the days ahead. Love u all*
