“ *Floyd and Jane Pennal:*
On a return trip to NJ in 1996, Floyd contacted Charles because they had an upcoming "first" reunion of the "USS Whetstone" to be held in Las Vegas, Ne. in Oct. Charles came to our Motel and we were immediately told that we were not staying their. After one night in the Motel we were invited into their home and I (Jane) met Edna. We connected right away as it was so easy to do with her. That was the beginning of a relationship for me with her and a renewal of friendship with an old Navy buddy. Later on in years Edna and I shared Cancer related problems as we both were going through chemo. I loved Edna and I thank God that through the "Whetstone Reunions" I got to know her. Our deepest sympathy to Charles and Family.

Love,
Floyd and Jane

“ *It was an honor and an inspiration to know this special lady. She was a warm and loving person with a good sense of humor who was committed to her family and loved them unconditionally. And she was a FIGHTER!!! She faced her health issues with determination and grace. I am blessed to have known her and her very special family!*
