“ So sorry for your family's loss. It had been a long time since I've seen you all but still have such fond memories. Loved the video. Fishing was almost always part of our families' visits together and playing cards - even though us kids weren't allowed to join in!

Love you all. Thoughts and prayers for peace and comfort in your hearts.

“ In August of 2002, Eddie, Jackie , Lexie and me took a trip to Maine to visit some of his remaining relatives. After spending two days with Ronnie and Becky in Maryland we left for our destination. Not in any particular hurry, we made frequent stops to eat, rest and just enjoy the scenery .After about 12 hrs. in the van we were all ready to call it a day, especially Eddie who wanted a Bud. The next morning we crossed into Maine and Eddie was so excited he started reading almost every sign along the roadside. Almost like a child, but he was excited about going home for the first time in several years. Well my best friend and adopted Brother, you have gone to your eternal home never having to return to this earth again. I am going to miss you my friend. Thank you forever for being my friend for over four decades. Carlton
