“ *I was very lucky to have Pete and Lois in my life. I lived in their upstairs apartment for a couple of years and they welcomed me and my cat into their home on Wingfield Street during a very difficult time in my life. Although they had a policy of No Pets when I came to them in my time of need they talked it through and I will never forget their kindness when Mrs. Pietrowski told me, "We would be happy to have you and Alex (my cat) come to live with us." Pete was always the ultimate gentleman, pulling the car around and opening the door for his wife. They are both angels in my eyes and I am especially grateful for God putting them in my life.*

*I can't begin to tell everyone how lucky I was to marry into having Grandparents. Having lost my own Grandparents at a young age I was very lucky to meet my new Grandparents, Grandpa Pete and Grandma Lois. We have had some really good times and we always enjoy visiting them. They even came to see us several times in Florida. So sad to lose my Grandpa Pete, but he was such a loving and caring person. We were so lucky to have him so long. Grandpa Pete you will be Greatly Missed. All our love and prayers are with Grandma Lois and Family. A Special Thank You, to Sally and Emily for looking over Grandpa and Grandma. Love You Grandma Lois, take care and know you have a Very Special Angel Grandpa Pete watching after you. Love you, Brenda Hart (Pietrowski)*
