“ *It's 5:30 am and I'm awake thinking of him. I can't sleep because my heart is full of things we shared. When I was a little girl of nine, I lost my Dad who was his brother. When our paths met afterwards he always stepped up and gave me those hugs and smiles I needed so very much. Even tho he was the father of seven, he let his brother's seven know he was there for us also. When we met he always had a glistening tear of joy in those beautiful blue eyes, a very soft smile and a warm hug for us. When we parted he had a tear of sadness with a warm smile and hug for us. There was never a doubt about his Love for us, that's why he will always be remembered with a glistening tear and a warm smile. I Loved my Uncle Leon so much. My love always to all of you!!!imported-begin###Marilyn Chambers Thomas October 15,2009###imported-end##*

“ To All: Just wanted to let you all know how much I am thinking of each one. My heart and prayers are with you all. I am so sorry that I cannot be there to share this bad time. I so much want to come, but there is just not enough time to make the trip & be back to work Friday morning. It is a very unusual time that I cannot be off work. Just know that my love is present & I did love my Uncle Leon so very, very much. My love always!!###imported-begin###Margaret Chambers Kringlen###imported-end##
