“ *My deepest sympathy and condolences to Ed's family and friends. I had the pleasure of working with Ed when the plant was under the ownership of Arcadian and then PCS. He was the Urea shipping Supv. at that time. Ed was a very dedicated and hard working individual. He had a great sense of humor-dry at times, but always catching. I had worked with him briefly back in 70's when I was at the plant the first time. Ed will be missed greatly by all of those who knew and enjoyed his company. Sincerely, Ed and Barbara Anderson*
