“ *I am sorry to hear of Mike's passing. I wish all those near and dear to him christian sympathies. I had the pleasure of working with Mike directly at GA RR in the Audit Dept. The Audit Dept was my first job and despite my lack of experience, Mike was always encouraging and respectful. He reminisced about Buffalo often. Peace be with Mike and all of you.*

“ Mike was more than "the auditor".He was a good friend and a good listener.He gave some good advice in banking and investing .He talked alot about his family.I first met Mike in 1970 when I rode to work with him to GARR.He liked to tell people that he picked me up at the corner7-11 store...I heard him telling someone that at my retirement party.He was always looking out for his fellow workers.We loved him at he bank and I know you will miss him dearly.My thoughts and prayers are there for you .Brian,take care of things.I miss seeing you every Tuesday at the bank and I'll be thinking about you,your mom,and the rest of the family. Love and God bless you,Mary Blackstock##imported-begin##Mary Blackstock##imported-end##
