“ I am so sorry I did not see the obituary notice in the paper timely, Debbie brought it to me yesterday. Something told me about a year ago to try to find her and I looked in the Augusta area for her. I thought she told me the last time I talked to her she was moving to Augusta, guess I missed the North part. Needless to say I did not locate her and I feel bad about that. I can remember the good times we had camping together but guess what the girls remember the most about going to the 'McGee' house. We didn't buy music in those days because money was so tight but Nancy had the latest. That was just the best thing of their visit--going to hear all of Nancy's new music. Of course for me it was the food and fun. Ray made a wonderful salad that I could never duplicate no matter how many times he tried to tell me how to make it, his grilling and Eleanor's great preparation of everything else. I would have loved seeing each of you. Please know that I am praying for each of you to have peace and comfort in this part of the cycle of life. This is the part we least like to face but Eleanor was a dedicated person to her Lord and that is comforting to know. Love to all of you,
