“ To All of Ms. Liz's Family, Each and Every One,

Jenny, Donnie, Luke and I send our heartfelt condolences. We did not know of your loss until about 2 hours ago! We are so sorry and upset that we did not know before now. Ms. Liz was a beautiful woman. When you saw her she uplifted you instantly with her smile, her style, her humor and kindness. One's mother is the first person's eyes you see when you enter this world. And the love there sustains you forever, no matter how old you get or they get. And when she goes on to heaven, her voice, her sayings, her teachings, her love remains, undaunted by death. As she loved, she was loved back. She will always be remembered as a very special lady.

“ Dear Linda, Stanley, Ginger & Beth;

We have fond memories of your mother. She was a special Christian woman who loved her family, her church and others. After God called us to serve at Talatha, she took our family under her wing even though we came from the North! She'd invite us to the family get togethers during the holidays at Aunt Mary's when we couldn't travel back to see our family in Illinois. She was thoughtful that way and remembered our birthdays as well. Ms Liz introduced us to what Southern BBQ and hash was in New Ellenton at Carolina BBQ. It became a favorite place to go!

It was a privilege to take part in your family events at the church. We rejoiced with you all at baptisms, marriages and baby dedications. We grieved with you at funerals, especially remembering how heart-breaking Holli's funeral was. We sorrow with you all now, with your mother's death, because she will be missed.

Your mother's faith was strong and she was devoted to her Lord and Savior. So, we know she's in Heaven and in no more pain. This brings us comfort and peace. As she once said, death is part of life and we must accept it when it is our time. For now we hold on to the beautiful memories of her, a grand southern lady who loved her Jesus. Wish we could be with you on Sunday, but due to several circumstances we can't be there.

With love, prayers & hugs. In Christian Love; Pastor Dave & Joy Lester

“ So sorry to hear of Miss Elizabeth's passing. What an extraordinary lady. She was special in so many ways: she was loved so much by her children, grandchildren, greatgrans, and all who knew her. She was the matriarch and queen bee. She loved life and had a way of sharing that with others. When she came to the office, she brought a smile to the face of the entire staff. Miss Elizabeth will be missed, but her place is now in heaven with the Lord. Just hope she doesn't make the angels blush too much. Can't wait to see her again one day, but I know she would say, "Doc you are young and there is still much to be done." I will miss her.
