“ Betty was my aunt, married to my uncle Charlie, who was my mother's brother. I loved them very much all my life. Some of my best childhood memories are the times when I spent nights and weekends with them on many occasion. Betty made the best pot roast, and her spice cake with homemade caramel icing was the best I ever had! I loved growing up with them nearby. Betty always made me feel like I was the one person she wanted to see. So loving and so welcoming. I treasure these memories of them all and of her. She was the last of her generation in my family and I will miss her.

“ I have fond memories of growing up on the same street with the Goodwins, being part of the 'Fairview family' with them, and going to the beach with them. I'll always remember Betty's warm bubbly laugh and generous hospitality. Prayers to her family.

“ *I first remember Betty as the mother of Anne (and Libby), who was a friend of my sister Beverly Byrd. We lived down the street from them. Later, she was in my teacher sorority Alpha Delta Kappa/Alpha Rho. She was such a warm, loving person always willing to help with any activity, project, or food that was needed! She taught school, attended her club meetings and church, and then went home to care for her family. Betty was one of those southern ladies who was known as a “steel magnolia!” I was proud to have known her!*

“ *Betty taught my son, Patrick, in first grade and he adored her! I, also, knew Betty through our teaching organization, Alpha Rho/ADK. She was such a lovely person. My thoughts and prayers go out to her family.*
