“ Mrs. Hray was my first grade teacher. She was very special to me, and I have such fond memories of her. She became my teacher at a tough time in my life. My parents were divorcing, and we had moved to North Augusta from a different state. I was very far behind in my ability to read. She spent time with me during recess everyday in order to teach me. I am so thankful for her kindness and caring. I'm so sorry to learn that she has passed away. She was such a wonderful person. She made a huge difference in my life. I will be forever thankful for her.

“ Our prayers are with all the entire family. God has received a great person and a fine lady who is now with her husband of many years. I can't tell all the stories I have had with this couple and the fun we have had in life. Cruise ships to church work. They both will be missed. There is a special angel in heaven to sing in the choir.
