“ She truly won me over with her charm each time I entered her place of employment, & often made me laugh without saying a word. She was blessed with such a dynamic personality, and I can't believe I'm just hearing about her passing today...from nearly 2wks ago. Missing her dearly live I've known her for a lifetime. My condolences & prayers to the family & friends.

“ *Such a beautiful young lady gone too soon. Elizabeth grew up with my kids, and I treated her like my own. Regardless of how long it would be from the last time we would see each other, she still would always give me a big hug. She was so vibrant and full of life. She was loved by many, and she will never be forgotten. Take your rest sweetie, we love you but God loves you best.*
