“ Susan, Jessica and family, you know how much I loved Elizabeth. She was my nurse when I was little and went to the doctor and my mom thought she was the greatest. We all hated when she left the doctor's office. She was one of the sweetest people I have know and I know that she loved her family more than anything. Susan gave her so much pleasure; she was so proud of Jessica; and Emma Kate was the apple of her eye. I would see her out and we would stop and talk and she was always smiling, yes, even while going through the pain and suffering she went through. God took her Home where she will be healed and with all the ones gone before her. I am praying for the peace, the comfort and the strength that you'll will need during this time. Just treasure the memories and never let them leave your heart. If I can do anything, let me know.

“ The fondest memories we recall and will always cherish of all our days at the First Christian Church with your wonderful family. Kenneth loved Jesse Allen and Lib and growing up in Old Ellenton and attending church 50 years with them. All of our family feels so blessed and special to call you our friends. Lib was a beautiful person and we know that Jesse Allen reached his hand out and brought her home with him. Susan, we pray you will know how much you are loved by us and that we are always here for you. You have been a rock of faith and so good to your Mother through all of this. May you find peace knowing she is in Heaven. Find comfort in all the scenes of Lib's life you have in your heart.
