“ *Laura,
I was saddened to hear about your mother. You have been such an inspiration to me in your dedication and love shown through the care you have given your mother over the years. Your mother was a wonderful lady and educator. I have always enjoyed my conversations with her over the years in our DKG meetings. I remember how proud she was of you when you decided to enter the field of education. Please know that you are in my thoughts and prayers. Do not hesitate to call if I can do anything for you. Love

“ *Laura, I am so sorry to hear about Aunt Bessie. I know you will miss her dearly. My mother (Annice Jeannine Arnold Smitherman) thought alot of her - I believe she was a great aunt of hers. I remember visiting with her in Alabama some years ago.. she was such a sweet lady.
God Bless you and your family during this time.##imported-begin##Carol Smitherman-Powers##imported-end##*

“ Laura,
How sad I was to receive Thelma's call yesterday morning telling me of your dear Mother's death. I will write, but I may not be able to come to N.A. as I am travelling back and forth to Tennessee while Katherine is hospitalized. We are thinking of you and rejoice in knowing that our dear friend and teacher has finally conquered man's last great enemy. She was a very specil lady.
Our love and sympathy,
