“ *Ms. Elizabeth, as we called her, was truly a special lady of grace and charm to us. We first met Mr. Paul and Ms. Elizabeth in the campground at Ridgecrest and became better acquainted as we discussed Campers on Mission and law enforcement (Judy's father was a policeman). We had the privilege of serving with them during several Law Enforcement Summits at Ridgecrest. They were both very encouraging to us as we have been involved in missions in the US and abroad, and we will always be grateful for their influence in our lives and the privilege we have had to share their friendship. Ms. Elizabeth has been in my thoughts quite a bit during the last week, before I received this news through a Campers on Mission post. Our sympathies are with all who knew and love Ms. Elizabeth. Sincerely, David and Judy Humphries--Laurens, SC*

“ I met Elizabeth and Paul several years ago when they moved into our little neighborhood in Dothan, Al. They moved from Chipley, Fl which was just down the road a bit. They both were remarkable people and we all fell in love with them. It was while here that Paul has his stroke. It was hard to let them go to South Carolina but that was where they needed to be. We were all shocked to read in the paper this morning about her death. Didn't any of us know she had even been sick. Wish we had known so we could have at least gotten her some cards and phone calls. She is with Mr Paul now so all is well. May God hold the family in His Hands.

“*Mrs. Elizabeth was one of my first clients. She came to me every week, and we formed a very close bond. She became like a grandmother to me, and every week I could not wait to see her. Sometimes, we would call each other just because. She never failed to tell me that she loved me when leaving every hair appointment. I enjoyed listening to her talk about her husband and family, and memories from days past. Most importantly, she loved the Lord. We talked about God every time we saw one another. My Fridays will not be the same without the hour I spent with her, and my heart is broken. I feel as if I have truly lost a family member. She was a wonderful lady, and my life has been blessed just having known her.*”

“*We will remember her for her dedication to John Paul while he was at National HealthCare. She was always there with a smile and kind word. She was truly a remarkable person.*

I am so sorry to hear of Elizabeth's passing. Both Paul and Elizabeth were very special to me and I loved them very much. I am blessed to have called them my friends and am so glad to have gotten to know them through our years together here at Ridgecrest. They were truly like family to me and will be greatly missed!
