“ I met my dear friend Liz at Amelia Island one day many years ago when she walked over to my house, across the street from her condo at the Coral Sands...each time she came to Fernandina Beach, we always got together and had such fun...she was truly a free spirit and I loved hearing that soft voice on the phone each time she called...I will miss her forever and I will always be reminded of her each time I look out my front window and see her condo...I was in Alaska and could not be there for her funeral...and I am very sad to know I will never see her smiling face at my door again...I send my sincere condolences to Liz's family and friends...Faye##imported-begin##Faye Robinson##imported-end##
