“ I always enjoyed visiting with Elizabeth so much and have many fond memories of her, Joe, and Uncle Jack. I have missed seeing her in recent years and will continue to miss her smiling face.##imported-begin##Sandra Brisendine Bruce##imported-end##

“ *Dear Marilena and Gayle,
I am so sad to hear about Elizabeth. I will always think of her as beautiful within and without. Not only was she lovely to look at, but she had such a sweet spirit. She really cared about her cousins and checked on us (Helen and, of course that meant Helen's family.)*

That fun trio of McCollum siblings are now gone, but they will not be forgotten. They were the most entertaining and comfortable to be around. When I was little and "had to go visit" with mother, I never minded going to anywhere they were. They always made me feel special.

Elizabeth will hold a special place in my heart. I truly adored her. And I adore you both, too.

Love, Joanna
