“ I would like to thank Posey Furneral Directors for all they have done and continue to do for us during this loss of our loved one. I cannot begin to say how thankful I am to all of them. I know Eloise was very happy and would say thank you.

Walker Posey was a blessing from God, and from his parents, during this tragic time in our life. His Mom and Dad did a great job in helping God make him into a special young man. It was a pleasure meeting the family and everyone involved at Posey's. Again, thank you for all your kindness and love that was felt by you all.

Love,

*Paula Barnes deMedicis and Family*

“Wow! So sorry to read the news of Eloise's passing. I, too have great memories of fun times that date back to the '70s. Eloise and I worked together in Circulation/Dispatch at the Augusta Newspaper. I probably had more fun with Eloise in those few short years than I've had with anyone sense.

*To Paula and the Barnes and Clements Families-*

*My thoughts, my heart and my prayers are with you now.*

“Charles and family,I first Eloise in 1986 when i started with NADPS.She was warm and friendly and helped guide me through the workings of the department. She always gave priorty to the officers on the street. You could talk to her about anything and she would listen and offer advice.She offered hugs and support when she knew you had a bad day. I will miss her but I realize I have another angel in heaven to look after me. My deepest sympathy to all of you.It appears that Eloise was sent by God to help on this earth and she completed her task. God called her for her reward and the family knows how much she cared for and helped people. GOD and your new angel will smile and watch over you. Frank Warchol

“ Eloise has been a friend for 35 years, we have gone through many things together. I am so sad to lose her. Right now I just want Eloise's family to know that my prayers are with you during this difficult time. You know I love you all. Please don't hesitate to call on me for anything. I have so many fun memories to share about Eloise and one by one I have recalled them all day, most make me really laugh and some make me cry, but I must say the good times beat the bad times all to heck. I am so happy that our paths crossed 35 years ago, it has been a wonderful journey.
