“ *Well Momsie. It is coming up on 5 years since you went to be with our Lord. There has been a lot going on down here, as you already know, and you have been joined by Linda and Bill in Heaven. Kinda lonely down here now. I have friends and I have Don but I miss the rest of my family more than words can say. Everybody still talks about you and remembers you and that makes me very proud and happy. I just wanted to talk to you for a minute. I love you so much. You would be so very proud of all your grandchildren! And Momsie...I now have a great grandson! Our little Brooke has a little boy, and she will be 21 next month! Yikes! I will see you again one day. Until then...your daughter, Rosie Rebecca.*

“ *Missing you Momise. A lot has happened since you went to Heaven. Linda is with you now and you are enjoying all of God's glories. Please keep watching over us 3 termites that still struggle with day to day conundrums. Until we meet again...Love, Rosie Ree.*

“ *Mother.....You can't possibly know how much I miss you right now, even though I know that is selfish of me. You were always such a strong woman, even while going through the hardships on this earth. Your strength and love carried on in all of your children, but the greatest gift you gave us, was the knowledge of God's love, which is all that will get us through the hurt.*

*I know you have gotten your wings now, and you are happier than you have ever been, so I'm crying tears of joy. You are finally an angel, watching over others, from heaven, and I sure hope you're watching over us. My memories of you, will stay with me the rest of my life. Until I see you again, your loving daughter.....Lynn##imported-begin##Lynn Newman##imported-end##*
