“ Ernie was always a good friend along with his Father and Mother. Can remember practicing basketball with him in the Junior High. Daddy always enjoyed seeing and talking with Ernie. Later in in life Ernie became a roommate at college. He was always a great friend with a laid back way of approaching life. I know that he will be missed by many; because that was just the way he was...a friend, an Edenfield. Blessed by people we have met along the way. Dale Parker
