“ I can still hear Randy's voice daily. It's kind of hard for me to let him go. Our fiendship developed first from a work relationship. We then found that we had a lot more things in common. And over the years we talked and we shared a lot of laughs, had a lot of fun. I will trully will miss talking with him. We've lost a really great guy. But our lost is Heaven's gain. And I hope to meet him again in Heaven.##imported-begin##Larry Stallings##imported-end##

“ The Brinkley Family,

I am saddened at your loss. Randy was a very close friend to me during our grammer school and high school days. We used to ride our bikes to Holler Creek to swim during the summers. Although I have not seen him since we graduated from school, I know I will miss him. I will keep you all in my prayers and especially Randy.

“ Vickie,
I am very sorry about Randy. I remember many funny stories he would tell when my father coached him in baseball and I was too young to play. Any time I was around Randy he was always laughing and happy. We will all miss him. I know Randy was a very caring and loving husband. Each of you will be in my prayers that God will comfort you during this trying time.##imported-begin##Danny W. Brown##imported-end##
