“ I am terribly saddened to learn of the passing of Ernie. I knew him a lifetime ago when he was trying to manage the demands of college courses as well as be the primary caregiver to his elderly mother. He had an amazing sense of humor and great comedic timing. Caring for his mother was extremely challenging for him but he felt it was his responsibility and he did his very best. It was very touching to see him in the role of son. Besides his great sense of humor and ability to tell a good story, he was loving, kind and generous.

One of my funny memories of Ernie is that he used to carry around a picture of him as a child - probably in 2nd or 3rd grade. As a kid, he had a head full of curly hair - the front had an enormous wave which he referred to it as a 'croissant roll'. That picture really was hysterical - probably because he would try to recapture the pose since most people were in absolute disbelief the person they were talking with was the same person in the photo. Oh, it was funny and that was Ernie - he wanted to see you smile and laugh - even if at his own expense.

I can honestly say that knowing Ernie Fisco changed my life. I am sure he had no idea what an impact he had on me....I am certain there are countless others as well. I will never forget you....It is my hope that your soul is finally at peace.

“ *Ernie was the best Dad to Lexi and was always eager to hear how her day was going and learn of what she had accomplished. He encouraged her so much. We will be missing him lots.*

I just heard last night of Ernie's passing. My heart is very heavy. I knew Ernie from a long time ago. He would call and check in with me every 4 to 6 months or so, and we always picked up where we left off. We didnt need to talk very often to know that we wished each other the best. My kids and husband always loved when Ernie stopped in, he always made them laugh. I will greatly miss my friend, may he rest in peace.

Thanks Sara for letting me know.
