“ *It was my pleasure to get to know your family and Errik. He was blessed with a loving family that stood behind him and a mother who advocated for him. I know this mom kept him in the front of her mind and we prayed for him often. We can't explain this tragedy, but we can take comfort in the knowledge that Erik had a loving family on this side, and that he's in the presence of the almighty on the other! I count you all my friends and family in Christ. I want very much to hold you and weep with you. And Errik, we'll see you again one day, buddy!*

*Love and prayers,
Susie (Q) and Richard*

Brice was the laughter needed on a long boring day.. He was a rider on my bus. He was definitely full of questions, I'm sure he is being missed. May everyone that knew Brice find the comfort needed from God's Word the Bible.
