“ Oh Essie, really miss you. Our birthday month has passed, I always smile on both our birthday's because it was a thing with us about being the same age for a week, really miss that. Yesterday was 15 yrs. that mom died and I didn't reach out to anyone for the first time and I hate that. There is no excuse, I have been going thru some things that have really kept me so busy and my mind is so scattered, just want to do the right thing for Ann. It's really hard but I know that you and mom are looking out for us both. I miss mom, just wished she could see Lauren and Conner, know she would be so proud, she always loved her grandkids so much. Really wished I could see and talk with you both. You both are so missed and so loved. Please say a prayer for Ann, she's going thru a lot. Big kiss you you both and give Mom an extra hug from me..hugs & kisses

“ Happy New Year 2015, never would have figured you would not be with us. We all want to think we are doing ok without you, but the truth is we are all a mess. We are trying to come to terms with what happened, it is still so wrong. My hope and dreams would be for each of us to cope with what happened to you, But Esther, there is no way we can understand why you were taken from us . The truth is we should have so many more smiles and so many more talks with you. I really love and miss you so much and I would give anything to have you here. Love and miss you so. BIG HUGS \$ KISSES

I'm so, so sorry for all of you. I was out of town for the 4th, came in and read over the paper quickly. I was saddened to find out why. She should be here with you all. I remember her gentle, kind ways. I am truly sorry, Mary, and Stella, Martha, David, and all the rest of you. So, so sorry. Love you all.

“ *Until That Day*

*Until that day I'll think of you,
the love we shared, the memories too.*

*Until that day I'll think of you,
I'll try so hard in all I do.*

*Until that day I'll find out why,
you had to leave with no "goodbye".*

*Until that day this is so,
your family misses you, more than you'll know.*

*Until that day You'll be with him,
your God, your Savior, and new best friend.*

*Until that day I see you there,
you're in my heart, you're everywhere.*

“ I just found out about Esther's death. This is so sad and it breaks my heart to see such a beautiful life ended in such a tragic way. I remember Don & Shirley and all the little Baldwins when we all lived up on Road Ridge. Esther grew into just as beautiful a young woman as she was a little girl and I know she will be greatly missed. Please know that you are all in my thoughts and prayers!
