“ *Donna- I signed the Chronicle's guestbook but saw this one and thought it more personal. My heart broke for you seeing this, knowing how very much you loved your mother. I've said an extra prayer for your strength in this time and for your dad. When I think of you, I always have your folks in the back of my mind at the same time because they were such a huge part of your life. (I also think of your little poodle, if that speaks of love of family including a pet). Cherish her memories and the burden on your heart you have so heavily today will lessen as time goes by. Hugs to you all who have held a special place in my heart for years. Love you- Vicki##imported-begin##Vicki Dudai##imported-end##*
