“ *Ethelyn was a wonderful Christian and mother for her family. It has been wonderful to have been a cousin to me and a great example for anybody to pattern their life after. Best regards Mozelle Shuford Geisel, Anderson, SC*

“ Only God knows how much Ethelyn changed my life. I say this because she was faithful to disciple by example, by teaching and through prayer the young lady who later became my wife. It was in her home that my wife of 45 years saw a godly example of a Christian home that blessed others and honored God.

Before we married Ethelyn and her family welcomed me into their home, giving me a place to sleep and good southern food to eat. It was at her table I first ate grits. I still remember the family's kindness in explaining to me how to eat them with eggs and not with milk and sugar.

I also remember interrupting her one morning on her knees in prayer. I thank God for her because I know that she must have prayed often for us. She has left a godly legacy for many.

“ I have so many memories of Ethelyn and what she let our Lord Jesus do through her for my benefit (and others) that I could write a book, but the one that has come to my mind often recently is how she shared her children with me - Alva, Ted, Donna, Gerald and Mark. To each of you children how many precious memories I know you have of your Mom; during this time "think on these things". She is now with HIM, our Lord Jesus Christ, and like Him. Can we even begin to imagine what that will be like - I think not!!!!
